

MILLION DOLLAR PROJECT

(ONLINE)

Congratulations! You have just inherited \$1,000,000! There are certain guidelines to your inheritance, which can be found below. If you do not spend all of your money before the deadline of Christmas Break 2013, you will lose the money. Happy Shopping!

Project Rules:

Here are the **MUST HAVES** for this project. Please open a Google spreadsheet and start recording them.

- _____ Put at least \$50,000 in a college education fund.
- _____ Purchase a home that is no MORE than \$300,000. I want pictures and links to an actual home. Please save the pictures (apple+shift+4) in Google drive and keep the link to your home in your Google document.
- _____ Take a family vacation to anywhere you like. (All expenses must be included and should include hotel, airfare, meals, transportation, and spending money. Etc.)
- _____ One car or vehicle. Remember to include actual price and link to such a vehicle.
- _____ Make a charitable donation to a non-profit organization of your choosing. (Not more than \$20,000)
- _____ You may never buy more than 2 of an item.
- _____ You have to include links (apple+c, apple+p) to all items purchased.
- _____ Use a spreadsheet calculator to figure your grand total.
- _____ Create a presentation to show us how you spent your money.
- _____ For each check you write, you must submit an invoice via the Google docs page. The link can be found at our class website.

Your grand total should not go over \$1,000,000 and should get as close to the goal as possible. You should be able to build your computer research skills, spreadsheet and documentation skills, and using the computer for organization in a real world situation.

You are **NOT** required to pay taxes or closing fees or any other expenses incurred during this project.
